	Closing Balance	\$7916.20 ^

I have examined the financial report, being a special purpose financial report comprising the statement of income and expenditure of the Glenorchy History Group Inc. for the period ended 31 December 2014.

It is not possible for the Glenorchy History Group Inc. to maintain effective controls over fundraising activities or membership dues until their initial entry into the accounting records. Accordingly, my audit is limited to the amounts banked. .

In my opinion, except for limitations discussed, the financial report of the Glenorchy History Group Inc. presents fairly the income and expenditure of the association for the year ended 31st December 2014.
